A new Pavilion option was discussed that will meet the schools needs better and will also be in budget. It is called the Grand Haven and is a larger 32' square option. This new option will give us a blend of the two previous options. We also discussed the picnic tables being round, rectangle, or square to fit our needs best.

Terri also discussed the Grand Haven Schools Foundation Hall of Fame Event which has funded 40 scholarships. The program recognizes graduates from the Grand Haven school district so if you know of someone you would like to nominate you can fill out a nomination form online.
