

Important Information

- Class fees include all supplies unless otherwise specified.
- Please be sure to send an additional "peanut free" snack with your child on class day.
- Students are admitted on a first-come first-serve basis and limited to class size. Openings cannot be guaranteed.
- It is required that you write a separate check for each class that your child is signing up for. For example..If you're signing your child up for 2 classes then you will need to write 2 separate checks.
- Dismissal of classes is at 5pm and all students must be picked up from their designated Enrichment classroom.
- It is the parent's responsibility to send a reminder note to your child's teacher on each class day to reduce the risk of your child being sent home on the bus.
- Refunds are unavailable unless the class is cancelled. Due to the expected popularity of this program, no waiting lists will be kept.
- Mail-in Registration Forms will be processed after walk-in registration on October 7, 2009.

1. Exploring Art & Nature ~ Laura Wright

Mondays: Oct 19, Oct 26, Nov 9

Fee: \$15.00/3 Classes

Grades: Y5's - 5th

Meeting Place: Art Room

Maximum Enrollment: 20

Week 1 - Mosaics: Make a beautiful mosaic picture using images of rocks and minerals. Students will explore the differences between rocks and minerals and will be able to touch and feel real Michigan rocks and minerals.

Week 2 - Nature Journals: Students will decorate their own nature journals using color, line and nature. The class will discuss the differences between warm and cold blooded animals, their environments, habits and food sources, then create & decorate the outside cover of a nature journal.

Week 3 - Dragonflies and Fireflies: Use of watercolors and crayons to create a picture featuring dragonflies and fireflies. The class will discuss the qualities of both insects, their importance in nature and where you might find them.

2. 3-D Art ~ Laura Wright

Mondays: Nov 16, Nov 23 & Dec 7

Fee: \$20.00/3 Classes

Grades: Y5's - 5th

Meeting Place: Art Room

Maximum Enrollment: 12

Students will create a sensational 3-D poster with acrylic paints! Learn the step-by-step process of creating 3-D art. Students will be taught the encoding relationships of color to create the 3-D images. Artwork will appear in it's normal 2-D form until the special 3-D glasses are worn!
