

Rosy Mound Elementary  
Jogathon 2010  
Sponsorship Opportunities

Through your generosity and many others like you, we were able to install a new playground and soccer field at Rosy Mound Elementary last year. WOW, the children love it!!

The centerpiece of this project will be the Community Pavilion. It will connect the playgrounds and soccer fields while providing much needed shelter and seating for outdoor studies and school events. The Pavilion will be available to all in our community. From the numerous athletic teams using the fields to families looking for a sheltered picnic spot, they will be covered! If we are successful in reaching our fundraising goals, the Community Pavilion will be installed this summer.

Please help us make this dream a reality and consider a sponsorship opportunity for the Rosy Mound Elementary Jogathon to be held on May 7, 2010.

*100% of your contribution goes directly to  
the Community Pavilion!!*
