Fundraising or Proposal for Funds Assessments

Fundraising is the method of raising money to finance PTA programs and projects. The fund-raising project must support the goals of PTA and be related to the educational, charitable, and philanthropic purposes as a tax-exempt organization.

Fundraising projects must have the approval of the membership in advance of the event and the vote must be recorded in the minutes. If it is an on going activity or program, it must be approved each year by the association membership. No spending or approval for spending may take place until the general membership has voted and recorded in the minutes of such approval.
